**Old Business:**

**New Business:**

Wayne Groseclose advised the club that the Elks had a proposition for the Club. He introduced Jim Ford who is a trustee for the Elks. Jim asked the club to help the Elks with a fund raiser which would be a fish fry. He envisioned that the fry would be held sometime in the fall and he would like for the Bass Club to assist in cooking food and promoting the event which would be open to the public. The Elks would provide the location and cover all expenses of the food. They have a liquor license and liability insurance to cover the event. Profits would go into the Elks Treasury which they use to fund their charitable activities. The benefit to the club would be promotion of our club and thank you to the Elks for allowing us to use their facility for our meetings. Those present at the meeting voted that they favored participation. If the Board approves a bass club working committee would need to be appointed which would work with the Elks committee. Jim Ford is presently the contact, but he anticipates naming another person as the chair of the committee in the near future.

Drawing was held for the May 14 and the May 15 tournaments at Stockton Lake. Times are 6:00 A to 3:00 P out of State Park ramp on both days – draw orders are listed below.
